Molecular and Cellular Biology (ISSN 0270-7306), a publication of the American Society for Microbiology (ASM), 1752 N St., N.W., Washington, D.C. 20036-2904, is devoted to the advancement and dissemination of fundamental knowledge concerning the molecular biology of eukaryotic cells, of both microbial and higher organisms. Instructions to authors are published in the January issue each year; reprints are available online and from the Journals Department. The journal is published bimonthly, one volume per year. Nonmember print subscription prices (per year): $1,685, U.S.; $1,824, Canada (plus 5% GST, or 13% HST where applicable); $1,646, Europe; $1,899, Latin America; $1,905, rest of world. Member print subscription prices (per year): $1,288, U.S.; $1,535, Canada (plus 5% GST, or 13% HST where applicable); $1,482, Europe; $543, Latin America; $550, rest of world. Single copies are: $100, nonmember; $50, member (Canadians add 5% GST, or 13% HST where applicable). For prices of electronic versions, contact the Subscriptions Unit, ASM. Correspondence relating to subscriptions, defective copies, missing issues, and availability of back issues should be directed to the Subscriptions Unit, ASM; correspondence relating to reprint orders should be directed to the Reprint Order Department. The code at the top of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for personal use of specific clients. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.
