Molecular and Cellular Biology (ISSN 0270-7306), a publication of the American Society for Microbiology, 1325 Massachusetts Ave., N.W., Washington, DC 20005-4171, is devoted to the advancement and dissemination of fundamental knowledge concerning the molecular biology of eucaryotic cells, of both microbial and higher organisms. Instructions to authors are published in the January issue each year; reprints are available from the editors and the Journals Division. The journal is published monthly, one volume per year. The nonmember subscription prices are \$360 (U.S. and Canada) and \$440 (foreign; air drop shipping) per year; single copies are \$40. The member subscription prices are \$49 (U.S. and Canada) and \$99 (foreign; air drop shipping) per year; single copies are \$10. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Journals Division, 1325 Massachusetts Ave., N.W., Washington, DC 20005-4171 (area 202 737-3600).

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed.

Second-class postage paid at Washington, DC 20005, and at additional mailing offices.

POSTMASTER: Send address changes to *Molecular and Cellular Biology*, ASM, 1325 Massachusetts Ave., N.W., Washington, DC 20005-4171. Made in the United States of America. Printed on acid-free paper.

The code at the top of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal use or for personal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per-copy fee through the Copyright Clearance Center Inc., 21 Congress St., Salem, MA 01970, for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.

INFECTIOUS DISEASE CLINICIAN

Infectious Disease physician is seeking a BE/BC ID clinician as a third member of an active 100% ID practice. Opportunity for a clinical appointment at University of Illinois College of Medicine and to teach medical students and residents. Position offers opportunity for developing clinical research and Infection Control activities.

Located less than three hours from Chicago and St. Louis, Peoria is an "All-American City" with a referral base of 350,000 and offers numerous sports, cultural and recreational activities.

Position offers an excellent salary and benefit package and an early partnership, and is available now. Submit CV to:

Harvey Lightbody
Vice President of Physician Recruitment
Methodist Health Services Corporation

Suite 300

221 N.E. Glen Oak Avenue
Peoria, IL 61636
(309) 672-4864

equal opportunity employer

E. COLI WALL MAP AVAILABLE

A limited supply of the following will be available from ASM: reprints of the article "Linkage Map of *Escherichia coli* K-12, Edition 8," by Barbara J. Bachmann (Microbiol. Rev. 54:130-197, 1990) and wall charts (ca. 21 × 24½") of the *E. coli* linkage map. Shipped together in a mailing tube. \$10.50, U.S. and Canada; \$12.50, foreign (surface).

Prices are subject to change without notice. All orders must be accompanied by payment in U.S. dollars, drawn on a U.S. bank located within the continental United States, or charged to MasterCard, VISA, or American Express. ASM does not accept wire transfers. Charge card orders may be placed by telephone (202-737-3600) or by fax (202-737-0368). Mail orders should be addressed to: American Society for Microbiology, Publication Sales, 1325 Massachusetts Ave., N.W., Washington, DC 20005-4171.

15 reasons

... why you should join your professional colleagues in the American Society for Microbiology, the world's largest single life science membership organization ...

- 1 A monthly subscription to ASM News
- 2 Member rates on ASM's renowned primary research journals
- 3 Member rates for all ASM meetings and conferences
- 4 An opportunity to network with your peers
- 5 Certification and registration programs through the National Registry of Microbiologists, the American Board of Medical Microbiology and the American Board of Medical Laboratory Immunology
- 6 Outstanding continuing education workshops at member rates
- 7 Superb educational materials including an extensive slide collection
- 8 An effective job placement service available to members at a nominal fee
- 9 A schedule of all local, regional, national, and international meetings involving microbiology, biology and chemistry
- 10 An opportunity to become involved in local and regional activities with ASM branches
- 11 An influential voice in Washington with an effective public relations program
- 12 An honors and awards program
- 13 Optional life, disability and health insurance for qualified members
- 14 Voting privileges
- 15 An opportunity to participate in the scientific division of your choice and join our 35,000 members in the promotion of the microbiological sciences

If these 15 reasons (and there are many more) sound good to you, why not find out how you can join ASM today?
