Volume 25, no. 11, p. 4727–4741, 2005, https://doi.org/10.1128/MCB.25.11.4727 -4741.2005. Page 4731, Fig. 2A: Panel f was an inadvertent duplication of panel g. The corrected image, obtained from original data, should appear as shown below. This change does not affect the interpretation of the data or the conclusions of the study.

Page 4733, Fig. 4C: Panel b should be panel d, and panel d should be panel b.
