Molecular and Cellular Biology (ISSN 1098-5549), a publication of the American Society for Microbiology (ASM), 1752 N St., N.W., Washington, DC 20036-2904, is devoted to the advancement and dissemination of fundamental knowledge concerning the molecular biology of eukaryotic cells, of both microbial and higher organisms.

Molecular and Cellular Biology became an online-only journal with Volume 36, Issue 1 (January 2016). The final print issue was Volume 35, Issue 24 (December 2015). Previous print ISSN: 0270-7306.

Instructions to Authors are updated throughout the year. The current version is available on the journal website. The journal is published twice monthly, one volume per year. For subscription prices, contact the Subscriptions Unit, ASM (asmjournals@subscriptionoffice.com). Correspondence relating to reprint orders should be directed to ASM Author Services (ASM.AuthorServicesSupport@cenveo.com), and correspondence relating to disposition of submitted manuscripts, proofs, and general editorial matters should be directed to the Journals Department, American Society for Microbiology, 1752 N St., N.W., Washington, DC 20036-2904. Phone: (202) 737-3600 (see <https://journals.asm.org/content/contact-us>). ASM policies for permissions, commercial reprints, and ePrints can be found at <https://journals.asm.org/content/permissions>.
