Molecular and Cellular Biology (ISSN 0270-7306) is devoted to the advancement and dissemination of fundamental knowledge concerning the molecular biology of eucaryotic cells, of both microbial and higher organisms. Instructions to authors are published in the January issue each year; reprints are available from the editors and the Publications Department. The journal is published monthly, one volume per year. The nonmember subscription price is \$280 per year; single copies are \$25. The member subscription price is \$43 (foreign \$57 [air drop shipping]) per year; single copies are \$8. The nonmember individual subscription price is \$60 (foreign \$75 [air drop shipping]) per year; single copies are \$25. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Department, 1913 I St., NW, Washington, DC 20006 (area 202 833-9680).

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed.

Second-class postage paid at Washington, DC 20006, and at additional mailing offices.

POSTMASTER: Send address changes to *Molecular and Cellular Biology*, ASM, 1913 I St., NW, Washington, DC 20006. Made in the United States of America.

The code at the top of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal use or for personal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per-copy fee through the Copyright Clearance Center Inc., 21 Congress St., Salem, MA 01970, for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale.

1988
APPLICATION FOR STUDENT MEMBERSHIP IN THE
AMERICAN SOCIETY FOR MICROBIOLOGY
1913 I Street, NW • Washington, D.C. 20006 • (202) 833-9680

COMPLETE ALL INFORMATION REQUESTED AND RETURN FORM WITH REMITTANCE IN U.S. FUNDS

Eligibility Any matriculated student majoring in microbiology or a related field who has **not** earned a doctoral degree is eligible for election as a Student Member. Student Members have all the privileges of membership except the right to vote and hold office in the Society. Student Members receive *ASM News* monthly and are entitled to subscribe to the Society's scientific journals at member rates.

Initiation Memberships are initiated and renewed in January each year. **Unless there are directions to the contrary**, membership nominations received prior to September 1 are credited to the current year, and back issues of the selected publications for the current year are furnished, if available. **Nominations received after September 1 will become effective the following January.**
